

HUNT 08-100 ELEPHANT

The outfitter is HHK, one of the largest and most respected companies operating in Zimbabwe today. Through the recent years of political turmoil and land grabbing, HHK has been able to keep its concessions in marvelous condition. HHK has conducted more elephant bowhunts than any other operator in Africa. Their professional hunters, who have had extensive elephant hunting experience are now leading the way with archery tackle. Their wildlife concessions encompass nearly two million acres of unspoiled wilderness - stretching from the shores of Lake Kariba in the north to the game rich Lowveld in the south. There is no substitute for experience. They have the

knowledge-base to give the right advice on equipment and shot placement. HHK has the background to take a bowhunter in close.
