

## HUNT 09-104 CAPE BUFFALO & PLAINS GAME

**MCDONALD PRO HUNTING:** Mahimba is a vast expanse of wild Africa located next to the Marrromeu area on the Zambezi River flood plain. This sweeping grassland, intermingled with swamps, is only 25 miles from the ocean and is home to healthy herds of Cape buffalo. Other plains game species available in the area are: common reedbuck, waterbuck, Chobe bushbuck, warthog, bushpig and sable. Hunting here is limited to August through October. Charter aircraft transports hunters to the comfortable camp from Polokwane, RSA. Sandy McDonald, the owner and operator, is a longtime professional hunter who is excellent with logistics and has several experienced professional hunters to guide bowhunters for Cape buffalo. There is also great opportunity for bowhunters to take crocodile in this area. The camp is permanent and very comfortable with flush toilets and hot and cold
